BONDING IN THE DARK

Dialogue in the Dark

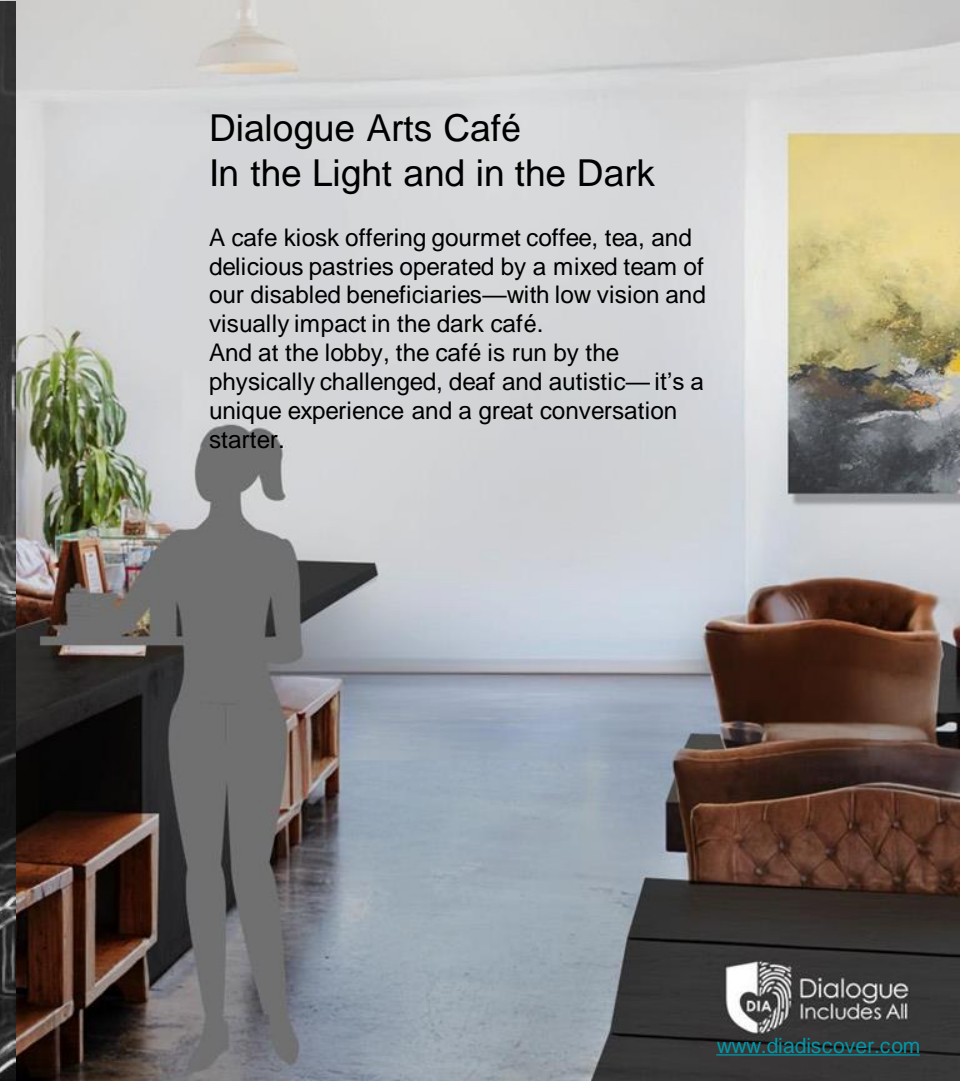

Experience the world in complete darkness, guided by visually impaired guides. Walk through a park, feel the grass underfoot, and explore everyday spaces from a whole new perspective in these uniquely designed environments.

Dialogue Arts Café In the Light and in the Dark

A cafe kiosk offering gourmet coffee, tea, and delicious pastries operated by a mixed team of our disabled beneficiaries—with low vision and visually impact in the dark café. And at the lobby, the café is run by the physically challenged, deaf and autistic— it's a unique experience and a great conversation starter.

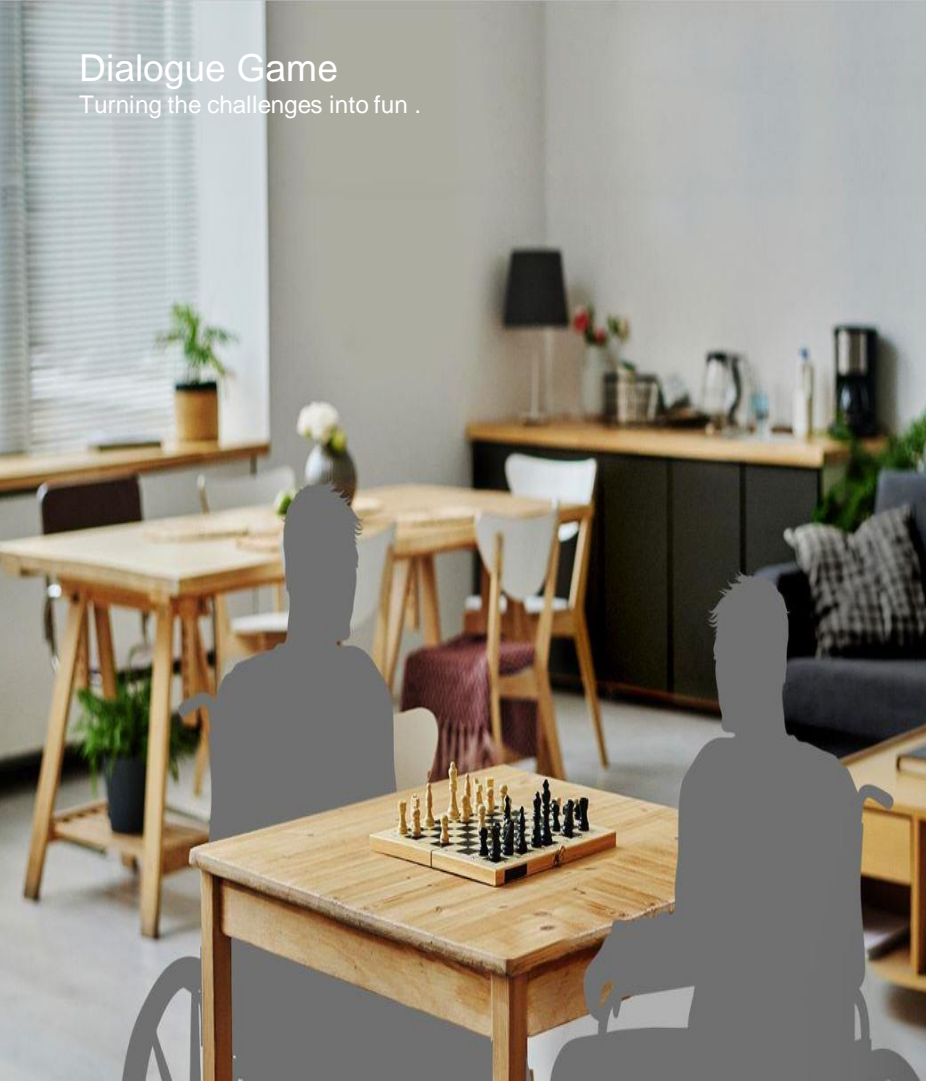

Dialogue in Silence

Participants enter an area of complete silence wearing noise-cancelling headsets, and experience an environment that helps them discover openness, empathy and an enhanced power of concentration.

Dialogue Game

Turning the challenges into fun .

Dialogue with Time

Offers visitors a glimpse into the world of the elderly, with interactive facilities that explore the biological and psychological changes of aging, as well as society's views on it.
